Associate Degree
A.A.S. Dental Hygiene

Baccalaureate Degree
B.S. in Dental Hygiene Post Licensure Online Program

2024 through 2029

Associate-Baccalaureate Program Articulation Agreement

between

Delaware Technical Community College and

**Old Dominion University School of Dental Hygiene
for**

Dental Hygiene BSDH Post Licensure Online Program

AGREEMENT

WHEREAS Delaware Technical Community College and Old Dominion University are committed to expanding educational opportunities for the citizens of the State of Delaware, and

WHEREAS the two institutions are committed to providing a smooth transition for students wishing to earn an associate degree and a baccalaureate degree, and

WHEREAS the intent of the two institutions is to avoid duplication of curricula where appropriate within articulated programs of studies, and

WHEREAS the two institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

BE IT HEREWITH RESOLVED that this agreement commits the partners to full support of an articulation process between similar academic programs offered by the two institutions.

PROVISIONS OF THE AGREEMENT

1. The institutions agree to follow the connected degree curriculums delineated in this document for the transfer of Delaware Technical Community College's associate degree Program in Dental Hygiene and Old Dominion University's Bachelor of Science Post- licensure Online Program in Dental Hygiene.
2. Both educational institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.
3. Graduates of the Delaware Technical Community College Dental Hygiene associate degree program must meet all admissions requirements for Old Dominion University. An additional application is required specifically for the Bachelor of Science in Dental Hygiene (BSDH) Post-Licensure Online Program. Formal acceptance into the dental hygiene program will be determined by the Admissions Committee for the BSDH Post-Licensure Online Program.
4. Students must complete the courses in the specified associate degree program herein with a grade of C or better to receive the credits for transfer.
5. Prospective transfer students planning to enroll at Old Dominion University are encouraged to reach out to Academic Partnerships at academicpartnerships@odu.edu for pre-transfer advising prior to submitting their applications.
6. Students are subject to all the policies and procedures of both institutions.
7. Course requirements listed in this agreement are based on the 2023-2024 catalogs for each institution but are valid until 2029, unless annual catalog curriculum changes or an updated agreement guide is created.
8. Both institutions at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes. The senior institution will make a good faith effort to honor the articulation agreement in effect at the time a student is admitted to the Dental Hygiene associate degree Program.
9. Accelerated Dental Hygiene Degree Option: Students can choose to "accelerate" from the Bachelor of Science in Dental Hygiene Post-Licensure program to the Master of Science in Dental Hygiene online program by applying up to 12 graduate credit hours toward both degrees.
10. Students are encouraged to complete the Letter of Intent (LOI) to gain access to exclusive benefits, including pre-advising, coaching, and a waived application fee. Submit the LOI at <https://online.odu.edu/transfer-intent>.
